

Academic Courses Graduation Check list

This is the academic check off list for our students. In order to graduate, completion of all courses with a passing score is required. Per THS. Academy standards in order to pass each course students must have passed the final exam with a 64% or higher and have a minimum of 75% class attendance for the course. Any failed courses must be redone or have requirements met in order to graduate at the expense of the Student. Please contact your campus leader with any questions.
